RE: Closing eliminates continued reporting requirements

Dear Mr. Matewsky:

It is our understanding that you are a candidate seeking office at the local level. After reviewing your recent campaign finance reports, we have determined that, as of the date of this letter, you are no longer required to file campaign finance reports with this office. However, you will continue to file campaign finance reports with your local election official.

**Issue #1: Outstanding Fines**

Our records indicate, however, that one or more of your campaign finance reports were filed late. As a result, you have been assessed, and remain personally liable for, the following penalties due in accordance with c. 55, s. 3.

<u>Report Year</u>	<u>Report Type</u>	<u>Amount</u>
2019	Year-End Report	\$25.00
2016	Year-End Report	\$475.00

Please note that sections 2 and 5 of M.G.L. c.55 require that all receipted bills and accounts relative to contributions received, expenditures made and any other campaign finance activity must be retained for six years from the date of the relevant election.

If our understanding of your status is erroneous, please contact us immediately. In addition, please contact our office for guidance should you change the purpose of your committee in the future.

In accordance with a ruling by the Supervisor of Public Records, this letter and all correspondence relating thereto is a matter of public record. As such, it will be placed in the committee's public file.

Should you have any questions, please do not hesitate to contact this office at the above numbers.

Sincerely,

A handwritten signature in black ink that reads "Alexander McKenzie". The letters are cursive and slightly slanted to the right.
