RE: Closing eliminates continued reporting requirements

Dear Mr. Pierre:

This office has received your Dissolution Report for the period ending 6/24/2020.

A review of your report indicates that you have no outstanding liabilities or assets. In addition, it is our understanding that you do not currently hold nor are seeking elective office. Please be advised therefore that as of this date you are no longer required to file campaign finance disclosure reports with this office.

Please note that sections 2 and 5 of M.G.L. c.55 require that all received bills and accounts relative to contributions received, expenditures made and any other campaign finance activity must be retained for six years from the date of the relevant election.

If you wish to maintain an active status with this office or if our understanding of your status is erroneous, please contact us immediately. Also please be advised that, in the future, if you raise or spend any monies to advance your political future you may again have reporting requirements with this office and should notify us immediately.

In accordance with a ruling by the Supervisor of Public Records, this letter and all correspondence relating thereto is a matter of public record. As such, it will be placed in the committee's public file.

Should you have any questions, please do not hesitate to contact this office at the above numbers.

Sincerely,
