THE 2022 BALLOT

The state election ballot will be finalized soon for candidates, triggering a few steps at OCPF.

1. OCPF will ensure that all candidates on the ballot have organized a committee or are registered with our agency.
2. OCPF will create specific disclosure pages for House and Senate candidates, sorted by each contest.
3. Our statewide candidate charts will be updated to reflect only candidates who will appear on the 2022 primary and general election ballots.

STATE PARTIES MAY SUPPORT CANDIDATES IN UNLIMITED AMOUNTS, VIA IN-KIND CONTRIBUTIONS

State parties exist to support their candidates and their platforms. One way to do that is to make in-kind contributions to candidates, in unlimited amounts. In-kind contributions are things of value that are not money, such as paying directly for a mailing to support a candidate.
